Erie Pride Fest on Sat, August 29

NW PA Pride Alliance will be presenting Erie Pride Fest on Saturday, August 29. The event will begin with the Pride Parade. Assembly for the parade begins at noon at the Zone Dance Club, 133 W 18th St, and step off is at 1 PM. If your group or organization would like to have a unit in the Parade, please let us know by August 21 by emailing mmahler@nwpapride.org. Individuals are very much welcome to be in the parade as well!

The festival will begin at 2 PM and will feature performers and entertainers. Please bring a non-perishable donation for the Second Harvest Food Bank of NW PA. Keynote Speaker is Dr. Rachel Levine, Pennsylvania's Physician General and first openly transgender appointee to be confirmed to state office.

There will also be vendors and info tables. Tables are \$15 each and come with 2 chairs. Deadline for getting a table is August 21.

PLEASE NOTE! We are scheduled to hold the rally on the west side of Perry Square; however, at this writing, that side of the park is under construction and fenced off. If it is still not ready by the Pride Fest date, then the Pride Fest will be held at Griswold Park (150 W. 14th Street - West 14th & Peach, by the train station). **Regardless of which park we end up using, the Parade will still assemble at the Zone Dance Club at noon.** Visit www.nwpapride.org

New name: Erie Sisters is now Erie Sisters and Brothers

from Erie Sisters and Bothers

The Erie Sisters Transgender Support Group, established in 1991, has undergone a formal change of name. Recognizing the need to welcome and serve the entire transgender community, the name has been changed to the Erie Sisters and Brothers.

According to Erie Sisters and Brothers president, Melanie Shubitowski, "The male to female aspect of the transgender community has long been associated with the transgender condition, but in recent years there have been an increasing number of female to

male, genetically or biologically intersexed, and gender neutral individuals coming forward and making themselves known. With the information explosion and recent emergence of celebrities like former Olympic athlete, Caitlyn Jenner, and actress, LaVerne Cox, the general public is becoming more aware and sensitive of transgender issues, and as a result, trans individuals are increasingly coming out." The change of our name reflects the need to provide resources to the trans community as a whole, as well as a broader public awareness.

While our web address will remain the same, our logo, layout and operations will undergo changes in the near future. The Erie Sisters and Brothers operates under the parent 501c3 corporation, the Lake Erie Group, and also hosts the annual Lake Erie Gala,

North by Northwest Progressive Summit on August 30

from Dan Doubet, Keystone Progress

Keystone Progress will host the North by Northwest Progressive Summit in Erie on Sunday, August 30th, at the Avalon Hotel, 16 W 10th St, Erie PA. This event will be an opportunity for leaders, activists and community members to learn, speak and share ways to make real improvements in our community.

There will be a vast array of issues presented, from the struggle to bring LGBT non-discrimination

statewide, to economic inequality, to the importance of judicial elections, and the ways we can combat racism in our community. In addition to these examinations of the issues we face, there will be workshops on skills we need to tackle these problems, from contacting your legislator to the best ways to ask friends and neighbors to act.

This will be a spectacular event for anybody who wants to make a difference, whether you're a student, an elected official, or a concerned member of the community. We will bring people together and build a culture of activism, where every person is empowered to make the positive changes they seek for their families and their communities.

Join me at the NxNW Progressive Summit. Together, I believe we can make the world we live in a little more like the world that it ought to be.

Summit will be held Sunday, August 30th, 2015, 9AM-5PM Avalon Hotel, \$20 (Discounts and scholarships are available in a limited capacity.) 814-636-0565 info@keystoneprogress.org NxNWsummit.org

Episcopal Church approves same-sex weddings

by Human Rights Campaign

The Episcopal Church codified theological support for same-sex marriage with two resolutions. The first (A054) formally approved gender-neutral and same-sex marriage ceremonies, while the second (A036) changed the current marriage “canons” to allow clergy to officiate same-sex marriages using either a marriage rite from the Episcopal Book of Common Prayer or a “trial” liturgy. Clergy will however have the option to opt out of performing the ceremonies.

from Washington Blade

In a historic decision, the agency of the U.S. government charged with enforcing employment civil rights law determined on July 15 workplace discrimination against people for being gay, lesbian or bisexual constitutes gender discrimination under current law.
