## GEAE End of Year Celebration

*from Greater Erie Alliance for Equality*

Greater Erie Alliance for Equality (GEAE) held their annual end-of-year celebration on Monday December 11, 2017 at the Ambassador Banquet and Conference Center. Will Koehler, Ph.D. thanked supporters, board members, advisory council members, and sponsors for this past year. He also spoke of their accomplishments including Progress Toward Equality, an awareness event on the courthouse steps, the development of a GSA for area high school and college-aged students, improvements in their communication, an educational symposium to talk about the needs of the LGBT older population, and many outreach events. All of these action steps are to help increase Erie's Municipal Equality Index by providing more education and services for the LGBTQ community. Dr. Koehler also welcomed two new officers to the board: Leah Manino as President and Dale Allgeier as Vice President.

Anyone interested in volunteering or wanting more information can contact the secretary at [geainfo@gmail.com](mailto:geainfo@gmail.com) or sign up for their newsletter on the website: [greatereriealliance.org](http://greatereriealliance.org)

## Pennsylvania Equality Project Announces 2017 Equality Award Winners And Lifetime Achievement Award Winner

*from Pennsylvania Equality Project*

The Board of Directors of the Pennsylvania Equality Project (PEP) proudly announce the winners of this year's Equality Awards. Jason Landau Goodman, Executive Director of the Pennsylvania Youth Congress; Caitlyn Strohmeier, Facilitator, Transfamily of NW PA David Moore, President and Founder of the Pennsylvania Equality Project. Furthermore, the Board proudly announces that Janice Rael is the winner of this year's PEP Lifetime Achievement Award for her advocacy and activism in the LGBTQ community in both Pennsylvania and New Jersey since 1992.

Janice Rael is the Founder and President of the Delaware Valley Chapter of Americans United for Separation of Church and State, DVAU. Janice, who has lived in South Jersey for most of her life, is a grassroots activist who has focused on various church-state separation issues throughout the years, including religious freedom, women's rights, LGBT equality, supporting public education, and promoting science literacy.

Jason is the founding Executive Director of the Pennsylvania Youth Congress. He has been a leader in LGBTQ youth advocacy for over seven years as the first person to work directly and specifically with LGBTQ youth on the statewide level in Pennsylvania. His work in the LGBTQ community has been profiled in newspaper articles and online blogs across the country.

Caitlyn Strohmeier, MSW, is a social worker, community advocate, and a transgender woman. She began living her truth very publicly eight years ago, and has since dedicated herself to the cause of LGBTQ equality and social justice. Caitlyn is president of TransFamily of NWPA, a grassroots organization that

operates several support groups throughout Northwest Pennsylvania and advocates for the rights of all transgender people of the region.

David Moore founded the Pennsylvania Equality Project (formerly Marriage Equality for Pennsylvania) in 2011. The organization has held rallies and other events to raise awareness to win marriage equality, ban conversion therapy, add sexual orientation and gender identity as protected classes against hate crimes, and has fought for passage of the Pennsylvania Fairness Act. Most recently he became co-adviser of the Gay Straight Alliance Club at the school where he teaches.

The PEP Equality Awards were established in 2013 as a way to recognize the efforts of dedicated advocates across Pennsylvania.

Previous award winners include: Paula Johnston of PEP, Senator Daylin Leach, Braddock Mayor John Fetterman, Clerk of the Orphans' Court of Montgomery County, D. Bruce Hanes, and Representative Brian Sims.
